How to Join or Renew Dues

You may now join Westbridge or renew your dues online!
(Actually, that's the only way to pay dues now.)

- Existing Members → click the ['Members Area'](#) tab above.
- New Members → [join here](#).

The membership dues year runs from September 1st to August 31st. You must be a member to participate in club competitions, SIG groups, the listserv or to receive club communications. You may join at any time, simply by paying the annual membership dues.

Non-members and guests are welcome to attend regular meetings. Minors must be accompanied by an adult.

Membership dues are used to pay for the meeting space, for judge 'thank you' gifts, for ribbons and plaques, for club equipment and repairs, refreshments at meetings, supplies (such as name badges) and more!

Westbridge is run entirely by volunteers. Paying your dues promptly helps reduce the volunteer time needed to send out reminders and process dues.

To maintain accurate records, non-renewing members are removed from the database on December 1st, each year.

Members with 25+ years of membership with the club are recognized at the Annual Banquet in June each year and awarded a free Lifetime Membership status.

- Entry deadlines are one week prior to the competition entrance in order to allow time for judging and organization of images for presentation. The password for the website is changed to prevent member access during the judging period.
- Images are accessible to the general public on the website. Do not enter the competition if you are concerned that someone might view your image.

The competition committee reserves the right to disqualify an entry that does not follow these or other rules of competition. See the Westbridge website for more details.
